

# Sharon Elementary School Reading Intervention LLI

Reading should not be presented to children as a chore or duty. It should be offered to them as a precious gift. —Kate DiCamillo

## Leveled Literacy Intervention

The WRVSU is in its first year implementing the Fountas & Pinnell Classroom™ in grades K-3. [Fountas & Pinnell Classroom™](#) is a cohesive, multi-text approach to literacy instruction for all students in grades PreK-6. More information can be found here. <https://www.youtube.com/watch?v=D9w-odYVknI>

**As the interventionist in Sharon I support the literacy needs of our students using the Fountas & Pinnell [Leveled Literacy Intervention \(LLI\)](#)™.** LLI is a powerful, short-term intervention that provides daily, intensive, small-group instruction, which supplements classroom literacy teaching. This intervention is evidence based with an [ESSA "Strong" rating](#). LLI turns struggling readers into successful readers with engaging leveled books and fast-paced, systematically designed lessons. *Check it out!*

The LLI Intervention is intended to give an extra boost to students learning to read. The WRVSU is in its third year of implementing the LLI system. The LLI interventions can typically last anywhere from 14-24 weeks.
