4. Discussion:

4.1 Teacher Appreciation CrockPots/Baked Goods

Keenan said that shared food is ok, and has given us the green light for bringing food to the teachers.

Day: Wednesday, the 10th.

Set-up/Cleanup signup: Corner in the gym, easier to drop off food for parents.

Holly will clean between after lunch, and One Planet.

Extra table/Extension cords: Nicole has PTO extension cords. She will give to Holly.

Briana can bring extra tables if we need them. Stephanie said we should have enough with the One Planet ones. Stephanie will put tables in the corner after One Planet. Everyone should leave instructions on where the crockpot should go after cleanup.

Angie - baked potato soup + seltzer in cans.

Brooke - soup

Holly- veg chili + beer bread

Stephanie Davis - veggie soup + cornbread

Jess Keep - taco soup + tortilla chips.

Briana - supplies + canned drinks

Nicole - baked goods/dinner rolls + apples

Stephanie J. - Gluten Free item

4.2 Taxes

Not needed to file until July 15, 2021.

4.3 Sneakers

Request for sneakers didn't go out to the whole PTO, just the people who were at the last meeting. Briana has one pair right now. Stephanie had a few too. Holly will send a request to the whole PTO.

4.4 Scholarship for camp no longer needed.

Camp is not running this summer, so the scholarship money is no longer needed.

4.5 Goals for fundraising

Briana:

- Amazon Smile: easy to set up for a nonprofit, Briana will set up.
- CARS: charity list that teachers can set up and the items would be shipped directly to the school.
- Jessica Keep: snack for baseball, we talked about selling food. Good to give-back, we talked about it in the past, maybe we can do it this summer.

Angie: we have done a lot of giving back, it's been a hard year, but she likes the idea of the other fundraising ideas.

Jessica will talk to the recreation program to see what is happening and what is allowed.

- GiveTide is the round-up app, has a cap on how much per month.
- eBay Charity - people can select us as the charity of choice and donate some or all profits of their item for sale
- Paypal Giving Fund
- Facebook Fundraisers - create Facebook group? Website? Start thinking and brainstorm for future meetings. Who is willing to oversee it, etc.

Jessica: coin drop - we should think about it for foliage season.

Holly proposed that we only do Amazon Smile + Give Tide for now.

We'll revisit how to do outreach at the next meeting.

4.6 Teacher appreciation in May

April: raffle baskets? (Angie)

Next agenda: budget address from Jamie Kinnarney (superintendent) + Keenan Haley

5. Adjourn
