

Sharon Principal Report

August 10, 2021

Strategic Plan Goal:

1) The WRVSU will form and sustain a comprehensive MTSS that:

- Utilizes evidence based best practices in instruction
- Utilizes student data to ensure student growth
- Encourages a rigorous, innovative and relevant learning environment
- Encourages the integration of PLP and Flexible Pathways to best meet the needs of all students.

- **Sharon will be piloting a new assessment tool called Track My Progress. The hope is that this tool will better inform us about student progress and inform our decision making in terms of interventions.**

2) WRVSU will implement a PK-12 Proficiency Based Learning System.

WRVSU school will utilize a comprehensive approach to ensure relevancy, rigor, and personalization. This will be achieved through the following:

- Curriculum
- Instruction
- Assessment

- **We are receiving an updated version of our math program: *Envisions*.**
- **Laura Lewis, Dulce O'Hare and Keenan Haley will be members of the data team this coming school year. Together we will attend the upcoming Data Wise training to better understand how we can use data to inform instruction.**

3) The WRVSU will improve student learning and increase equitable

educational opportunities through the development of a culture that promotes interdependence among all stakeholders and enhances student achievement, choice and voice.

- **Our summer programming through the guidance of the One Planet staff was extremely successful. Children were provided with enrichment opportunities that included field trips and school based activities.**
- **Summer intervention services were provided to 12 students by 3 teachers.**
