Dear Families,

As we roll into the end of October, there is a feeling that the impending winter is on the horizon. Now is an excellent time to check out your child's winter gear to see what shape it is in and if it fits or not. If you find yourself in a position needing to provide your child(ren) with new winter gear but are having some financial difficulty, please reach out.

The Sharon PTO is organizing their annual Used Winter Clothes Sale on Nov. 6, which is a great opportunity to donate outgrown clothes but also to acquire gently used clothes for your children. In addition, if you don't find winter clothes at the sale, our PTO has stepped up again this year to support families with strained budgets to help outfit children with winter clothing. Forms will be going home soon and will be posted on the website, but feel free to reach out to me at khaley@wrvsu.org if you think this is something you will need to utilize this year.

Many students are excited about Halloween. Unfortunately, this year Halloween falls on a Sunday. If you and your family decide to trick-or-treating on Sunday, I urge you to go on the earlier side of the evening to make sure a good night's sleep can happen, and your child(ren) can be rested for school on Monday. The PTO is also organizing a Spooky Night right here at school on Friday, Oct. 29, 6:30 - 7:30 pm, if you are looking for a fun alternative to going trick-or-treating.

Parent-teacher conferences are being scheduled. Please be on the lookout for a request to meet from your child's teacher. If you have not seen such a request, please reach out to your child's teacher to inquire about it. These conferences are a great chance to ask questions and to get to know how your child is doing in school, both academically and socially.

I hope everyone has a wonderful weekend!

Respectfully,

*Keenan Haley
